

MEMORANDUM OF UNDERSTANDING VIRTUAL PROGRAMS

This memorandum of understanding establishes a partnership between _____ and BridgeWays, Inc. and will be effective _____ through _____.

With this Memorandum of Understanding, _____ and BridgeWays, Inc. commit to partner in offering quality youth development programs for youth. As such, _____ agrees to cooperate with BridgeWays in the following ways:

- Providing demographic information for students served.
- Distributing BridgeWays program information only to students and their families.
- Publicizing BridgeWays programming opportunities.
- Connecting BridgeWays with other partners to enhance programming.
- As needed for grant compliance, free/reduced lunch information to verify low-income status of students.
- Funding the delivery of program.
- Fundraising or a fee of \$2.00 per student.

BridgeWays agrees to provide:

- Trained staff for BridgeWays programming. All staff and volunteers will have passed background checks that include social security verification, nationwide criminal check, wants and warrants.
- Program information to be distributed to students, faculty and parents.
- Outcome rich curriculum that aligns with education standards.
- Appropriate levels of liability insurance coverage.
- Results of annual program evaluation and outcome measurement.
