

2023 DAY CAMP INFORMATION

AN EXPERIENCE THAT YOUNG PEOPLE REMEMBER

For the rest of their lives, and for all the right reasons.

WHY CAMP FLETCHER? From their first moment at Camp Fletcher, children aren't merely welcomed. They are known. By their names. By their likes and dislikes — from big things like "is afraid of the water," to seemingly small things like "loves PB&J sandwiches." They're known because we intentionally keep our groups small (much smaller, truth be told, than economically optimal). Mixed into each activity is a learning opportunity for campers — with topics ranging from environmental education, history and geography to math, science and reading. We like to call this technique "undercover learning" because kids at camp don't realize they're being taught. It's a place where academics become an experience and imagination comes to life.

WHAT SHOULD MY CHILD BRING TO CAMP? A daily packing list is available on our website, but remember, at camp, kids and clothes **will** get dirty. Campers are **not** allowed to bring any electronic devices to camp.

SWIMMING: Every camper is given a swim test to establish his/her ability. Only campers who pass the swim test are allowed to swim in the deep end of the pool. This test is administered by Red Cross Certified Lifeguards.

OUR STAFF: We hire and train the most compassionate counselors who share our sense of mission, then train them to be leaders, role models and friends. All staff members are certified in First Aid & CPR and required to complete a background check and multi panel drug screen.

HOW ARE CAMPERS DIVIDED? Campers are divided into small groups, by age.

COMMUNICATION: We will make every effort to contact parents as soon as possible in the event of an emergency, weather closure, schedule change, etc. We will communicate via Remind.com, Facebook, email, and/or phone.
